## **APPENDIX I      EXPLANATORY STATEMENT ON REPURCHASE OF SHARES**

---

The following is the explanatory statement required to be sent to the Shareholders under Rule 10.06(1)(b) of the Listing Rules to provide requisite information for the Shareholders to make an informed decision whether to vote for or against the resolution to approve the Repurchase Mandate.

### **1. Share capital**

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,362,549,300 Shares. Subject to the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the passing of the relevant resolution at the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 236,254,930 Shares.

### **2. Reasons for repurchases**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its shareholders as a whole. Such repurchase may, depending on market conditions and funding arrangements at the time of repurchase, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and its shareholders as a whole.

### **3. Funding of repurchases**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Bye-laws and the applicable laws of Bermuda. A listed company may not repurchase its own shares on the Main Board of the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Bermuda law provides that the amount to be paid in connection with a Share repurchase may only be paid out of the capital paid up on the relevant purchased Shares or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. The amount of premium payable on a repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the share premium account of the Company. It is envisaged that the funds required for any repurchase under the Repurchase Mandate would be derived from such sources.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts of the Company for the year ended 31 December 2020 in the event that the repurchase of Shares under the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.
